Granny Came to Visit

MARION C HUSBAND
Illustrated by Gemma Denham

- Granny was far more important than she realised as she knitted wonderful gifts for her grandchildren. Although her memory was fading, the love from her family didn't, instead it grew stronger.

- *Granny Came to Visit* is an original story, told through the eyes of a child who has a very loving relationship with his Granny. The theme throughout is of kindness with Granny wanting to shower the child with gifts. Although Granny often forgets things, the central message conveyed is that sharing our emotions and caring for others leads to happiness and well-being.
