A Love That Can't Be Contained

CALLY MAGALHÃES

- A Love That Can't Be Contained is for those who long for a deeper relationship with the Lord, and if you have a desire to find practical ways to share your faith or serve God in missions, then this book is for you.

- I really hope my words will encourage and inspire you in your journey with God, and the mission He has for you here on this earth. That mission might be in your hometown or in another nation or nations, but one thing is certain, God has a mission for your life.

- The ongoing story of Cally Magalhães' work with the poor in Brazil. Stories that will lift, anecdotes that are thought-provoking, a true story of God at work. There are useful questions at the end of each chapter for the reader to review what they are reading, and challenge them both in their own personal walk with Jesus as well as helping them think about whether God is calling them into short or long-term missions. A truly inspirational book, one that draws the reader closer to God.

ENDORSEMENTS

'An eye-opening, page-turning, potentially life-changing personal account of working with the poor and marginalised in long-term missions. Cally's story, and the helpful questions found at the end of the chapters, will encourage the reader to think about and respond to God's call on their own life. Moving, challenging and inspirational.'

Sheila Jacobs, award-winning writer, editor, author of *A Little Book of Rest*

'This is truly the most accessible and authentic resource for sharing the uncontainable love of God with non-religious people. Cally is a humble and inspiring guide throughout, drawing on her own stories of mistakes as well as marvels. This will be the first book I'll give from now on to anyone who wants to become a missionary in contexts near and far. It is a terrific manual for anyone who wants to share the message, mercy, and miracles that speak of the Father's limitless love.'
