# Raised Up!

**JULIA STEVENS**

- Raised Up! is a remarkable exploration of the subject of resurrection and its timeless significance. Julia Stevens intricately weaves together the power of resurrection from the dead and the transformative reality of the 'resurrected life' in Jesus, our Messiah.

- Julia writes concerning the kingdom truths of God's Word, where the life of, and in Christ Jesus transcends mortality, where His radiant presence lights 'The Way', and where ordinary lives become witnesses to extraordinary resurrection miracles. You will find a remarkable resurrection testimony in each chapter.

- Focusing on Holy Scripture truth, Raised Up! shed lights about resurrection as a divine eternal promise – a testament to life in Christ, triumphing over death and darkness.

- Guided by the Holy Spirit, the wisdom of early church fathers, rabbinical teaching, and modern research, Raised Up! establishes the profound impact of eyewitness accounts, as Julia interlaces historical testimonies with contemporary narratives, forging a vivid testament to resurrection as an enduring reality. With each turn of the page, Raised Up! is like a beacon of hope, encouraging readers to walk their transformative journey of faith with God.

Julia Stevens' narrative kindles the fire of faith, reminding us continually of the eternal promise of resurrected life and inspiring a profound trust in the risen Messiah.

- Immerse yourself in these pages, let your heart be reignited with faith in the miraculous and an unwavering confidence in the risen Saviour.
