- Includes:
 - Science facts that explode with meaning
 - Stories that stick
 - Quotes that inspire
 - Challenges that build your inner strength

AUTHOR BIO

Chip Kendall is a singer, author, Bible teacher and all-around creative who's passionate about helping kids discover who they really are and what they were made for. Whether he's leading school assemblies, performing in stadiums, or writing books that mix faith, fun and science, Chip brings the energy—and a giant bowl of tortilla chips if you're lucky. He lives in the UK with his wife, Helen, and their three kids.
