Is There Mercy For Me?

TOMMY HANRAHAN and RALPH TURNER

- Abused as a child, Tommy had the hardest of starts. And it didn't get any better. Guns, gangs and drugs became the centre points of a life rapidly falling apart. Then there was the bullet. From point blank range.
- Not many people die and come back. Not many get a second chance. But Tommy did. From the streets to the pulpit, this is the remarkable story of a man who cried for mercy. And was heard.
