

Targeted Prayer

ROGER GRASSHAM

- Roger Grassham believes we are called to watch and pray consistently (1 Peter 5:8) and that together we can all make a difference in our nation and the nations of the world.
- Targeted Prayer will help give shape to a focused prayer subject, and can be used by individuals, groups, or a whole church. By using the prayer guides, a person or group can intercede knowing more information about a particular subject.
- The material that is presented in each guide should help you pray more consistently and learn how to ask questions of God, having researched background, history and the context of the specific subject matter.
- It is predominantly designed to be a 'handbook' for those who want to become more focused in prayer at a deeper level and see that targeted prayer gets targeted answers!
