Sixty Years of Miracles

Peter & Linda Lyne

# Having Nothing yet Possessing Everything

PETER & LINDA LYNE

- Peter Lyne left his job as a teacher of Physical and Religious Education in 1966, and celebrated sixty years in Christian Ministry in 2023. From the earliest days of the Charismatic Movement in the UK, and as a key figure in the development of the New Church Networks, his primary gifts as a prophetic teacher have been recognised across the denominational spectrum.
- After meeting his wife, Linda, at a holiday conference in Devon in 1970, they have worked as a team in many different countries but are now based in New Zealand. Linda's extraordinary story is an integral part of this book.

## ENDORSEMENTS

'This is a family saga of extraordinary importance. The book in your hand is a door to healing; your healing. Take the time to dive into this story. Don't be in a hurry. You are entering a world of larger than life, sometimes fascinatingly eccentric characters, all of whom have something to gift you. There is plenty of drama but the treasure is in the details. Are you anxious for your own future? Do you need to be lifted from a condition of despair, apathy or confusion? Keep reading. I know the road is long but people like Peter and Linda have journeyed before you and endured and overcome. I found solace and inspiration in their story. You will too.'
