ABOUT THE BOOK

Here I was at James and Roelene's wedding reception, sitting at the singles table with a beautiful girl, Samantha, on my right, and Leo on my left. All through the meal God was whispering in my ear, 'Choose! You choose! Life with her and me, or him!' What a predicament I was in, and not a soul knew about it. I just knew that I needed to get away with God and make some big decisions about all this mess I was navigating.

Gender Plus is the story of South African Ennrich Kritzinger. Growing up in insecurity, without a father's love, suffering sexual abuse at home and then at school, Ennrich fully embraced the gay lifestyle. His search for love was insatiable, but ultimately he felt empty, disappointed, desperate and unfulfilled. But through a growing relationship with Jesus Christ, Ennrich allowed God's unconditional love to permeate and saturate the delicate areas of his gender and sexuality. Today, happily married to Samantha, his passion is to reach people like the 'old him' who are trapped in gender and sexual confusion. This story invites the reader into a radical, loving, life-changing relationship with the heavenly Father. Challenging and inspirational.

ENDORSEMENTS

'The wisdom, incredible honesty, strength and hope related to you on the pages of this book have been hewn from his difficult life journey. You will encounter this incredibly honest man, a humble man, a man who has been broken by life but made new by a loving God. Ennrich skillfully uses words to paint the picture of where he has been, where he is now and where he hopes and plans to go in his future.'

John Edwards, Author and Founder of Walking Free Ministries

'I have been profoundly impacted and even brought to tears by this book. Ennrich's story will shock you but also warm your heart. It will enlighten you but also leave you asking questions. It will make you cry in one sentence, but then cause you to smile in the next. But most of all it will cause you to encounter the God who made a way for him where there seemed no way. That's the best part.'

Mark Stevens, Worship Pastor, Songwriter and Author

'Ennrich's story is a must-read remarkable journey from beginning to end. It is a story of grace and redemption over guilt and rejection. He makes sense of what is one of the most confusing issues of our time in a brave, honest and straightforward way. I recommend it wholeheartedly.'

Steve Gambill, Lead Pastor of Life Church, Bradford, UK
