Multiplying Disciples

PHIL WILTHEW

- How do we raise up radical disciples that change neighbourhoods and nations?
- Discipleship is not the call for the few but for all who follow Jesus. We are all called to become and to make multiplying disciples.

In *Multiplying Disciples*, Phil Wilthew explores the three-dimensional life of every disciple, unveiling an easily transferable toolkit for living life like Jesus. Phil considers the upward life of red hot devotion to God, the inward life of character in community and the electrifying outward call to make a difference in the world in Jesus name.

- Jesus' discipleship model has now become our mandate for multiplication, and the goal of this book is to help release radical disciple-making disciples all over the world, who can perpetuate the glory of God wherever they go, into every sphere of society.
