ADAM DYER

- A fresh reading of the Ten Commandments.
- Focus is on seeing them as liberating rather than condemning.
- If Paul's message was grace over law then why have we used his writings to construct a whole new law?
- Why the law cannot fulfil the relationship we are invited to have with Father God.

#### **AUTHOR BIO**

Originally from Manchester, Adam Dyer is leader of Yeovil Community Church in the south west of England. He is an innovator of church and community and a communicator of hope. He is married to Rachel and has four children.
