Picked for a Purpose

MEL MENZIES

- Born with a painful, undiagnosed disease, Mel was branded 'naughty and attention-seeking' from birth, a label that stuck with her for life.
- Poor body image, a disastrous adolescence, adulterous marriage, divorce, a drug-addicted daughter and her ultimate death might be seen as negatives. But with God's intervention, seeds sown eventually put down roots, blossomed, and bore fruit in her life.
- With mental issues rife, Mel's hope is that this book will bring answers to those who have suffered as she has.

AUTHOR BIO

With a number of books behind her including, *The Last Mountain: Living with Aids* which reached No 4 in the Sunday Times Bestseller list, Mel Menzies is an inspirational speaker; has led writers' workshops at various retreats; and is sometimes asked to take part on BBC broadcasts on a wide range of topics, such as stepfamilies; drugs; godparents; and bereavement. Her latest novels, *Time to Shine* and *Chosen* are part of the Evie Adams series.

ENDORSEMENTS

'Mel Menzies has the ability to be searingly transparent about her life experiences. Look in the mirror of *Picked for a Purpose* and it may prove life changing!'

David Coffey, OBE Global Ambassador BMS World Mission

'*Picked for a Purpose* now shares the story of Mel's private and public life. It is her personal faith and trust in the Lord that makes the vital difference.'
