ENDORSEMENTS

'Finn and the Wild Goose is a lyrical and beautifully woven story of Irish folklore, family, love and acceptance. Magical, and a highly recommended read for all ages.'

Cat Hogan, Irish Times bestseller list author of They All Fall Down and There Was A Crooked Man

'An enchanting wander through Irish mythology.'

Bob Hartman, acclaimed children's performance storyteller and author of bestselling Lion Storyteller Bible, among many others

'Rich in the lore of Ireland, Finn and the Wild Goose is a grand quest for children and adults alike. Samuel Horner, storyteller extraordinaire, crafts this novel with the flavour of the Irish fairytale of Fionn MacCumhail in a modern setting. When sister Evie is kidnapped, seven-year-old Finn Cannon must undertake a quest to rescue her. This journey has greater depth than a mere fairytale. It touches on profound truths sought by the heart of mankind. As one of the main characters, Granda, puts it: There is another story that instructs us in the way of true peace... It is the one that I choose freely and the one that I will pass on to my children and my children's children! Five stars.'
