## ABOUT THE BOOK

**'I'd like to imagine what churches would look like if every believer realised that the life Jesus modelled is possible for them too.'**

**– Wendy Mann**

The supernatural life that Jesus modelled is not reserved for a few 'superstar' Christians; it is meant to be the normal life for every believer. All Christians are called and equipped by God to see his Kingdom break in as part of their day-to-day life. Wherever they go, they can see people's lives transformed as they demonstrate God's love outside the four walls of the church.

This book unpacks over ten years of Wendy Mann's journey of learning how to live a naturally supernatural life. It is full of faith-building stories, inspiring insights and practical tools that she and her church community, King's Arms Church, Bedford, are learning along the way.

## BIO

Wendy is on staff at King's Arms Church, Bedford, where she leads a supernatural school that equips believers to see God's Kingdom break in as part of their everyday lives. Her passion is to see believers really grasp who they are in Christ, so that they are empowered to run the unique race God has marked out for them.
